

LOCAL RESTAURANT GROUP

A Smarter Way to Support the Community

SHARING THE CREDIT

CASE STUDY

Local Restaurant
Group

\$8,500 PER MONTH TO CHARITY
Reduced processing fees by 15%
Automatic monthly giving consistent impact

THE CHALLENGE

Donations were dependent on cash flow, required manual check writing, and provided limited visibility into charitable impact.

THE TRANSFORMATION

- Reduced credit card processing fees by 15%
- Created automatic monthly contributions to charity
- Generated \$8,500 per month in charitable support
- Received monthly impact reports
- Maintained consistent giving during both busy and slow seasons

ANNUAL IMPACT: OVER \$102,000 TO CHARITY

"We save money on processing AND support our local food bank automatically. It's the smartest business decision we've made."
